HOCHTIEF Facility Management secures order for seven hospitals

Contract to provide SRH Kliniken GmbH with cleanroom technology and medicinal media

HOCHTIEF Facility Management is to handle technical facility management for all the hospitals run by SRH Kliniken GmbH. The two companies have just signed an agreement to this effect. SRH, which is one of Germany's seven largest private hospital organizations, has seven medical centers in Thuringia and Baden-Württemberg. Together, these institutions have 2,800 beds and care for a total of 192,000 patients a year.

HOCHTIEF Facility Management will integrate its services into the processes of the SRH hospitals. Among other things, the Essen-based company will be responsible for building systems, including those for fire protection, refrigeration, air-conditioning and telecommunications, and also for the installations which produce and distribute anesthetic gases. In addition, the HOCHTIEF service-provider will be in charge of cleanroom technology in the intensive care units and the surgical suites.

For HOCHTIEF, this contract represents further expansion of the services it furnishes in the healthcare sector. Apart from SRH, other HOCHTIEF Facility Management clients in this sector include Sana Hospitals and Frankfurt am Main University Hospital. Altogether, the company provides services for 20 healthcare institutions in Germany.
