Christoph Kohlhaussen with responsibility for commercial issues

With effect from April 1, 2010, Christoph Kohlhaussen (45) will become a new member of the Management Board of HOCHTIEF Facility Management GmbH, Essen. He will have responsibility for commercial issues at HOCHTIEF Facility Management and thus replace Hans-Georg Dörr. Dörr will shortly take on another management function within the HOCHTIEF Group.

Kohlhaussen last held the post of Chief Financial Officer (CFO) at HOCHTIEF Polska in Warsaw. Before, the business administration graduate had been commercial executive at HOCHTIEF Aktiengesellschaft's Corporate Center Controlling and worked, among others, in the Risk Management and Market Development teams of HOCHTIEF Construction AG and at the Düsseldorf and Cologne business units. From 1997 to 2006, Kohlhaussen had managing functions at former Siemens VDO Automotive AG in Germany and abroad.
